Accommodation

Situated less than 200 metres from the Vale do Lobo Beach, the five-star Dona Filipa Hotel is set in a beautiful part of one of the most famous golfing areas in Europe. The panoramic ocean views from the hotel vantage points stretch for miles.

We've been taking golfers to the Dona Filipa since before Tiger won his first major so we know the area well and it never disappoints to create a wonderful golf holiday venue. The hotel was recently refurbished and refreshed and it's now a modern luxury hotel where you'll instantly feel at home... it's the perfect place for our season opening event.

Post golf you can relax at the hotel pool or as guests you have access to both the Dolce Deluxe Spa or the Vale Do Lobo Royal Spa – a short distance from the hotel.

Outside the hotel there are many places to eat including the world famous beach restaurants at Julia's and Maria's which is within walking distance, as well as excellent traditional Portuguese restaurants and a range of bars and eateries offering food and drinks from all over the world. Whether you've been travelling with us for years or this could be your first Greencard experience a golf break at the Dona Filipa is always a fantastic start to the year!

Golf Courses

San Lorenzo Golf Course

San Lorenzo is a world-class course.

Since opening in 1988 it has been consistently ranked alongside the best in the world.

The fairways wind through the pine forest and lead to large undulating greens.

Well placed bunkers and water hazards mean you will have to strategically plot your way round and carefully choose your points scoring holes.

Laranjal

Rated in the top 15 courses in Portugal and a former winner of the Best Golf Course at the Portuguese Travel Awards this is a classic risk and reward track.

Laranjal is a beautiful course to experience – there are five beautiful lakes throughout the course set amongst a mixture of pines, cork oaks and orange trees.

Event Format & Golf Programme

Our events are open to singles, couples or small groups equally. The format of the event will be a mixture of team games and better ball pairs.
