Golf Courses

Dunes Golf Course

This is Costa Navarino's flagship layout and the first signature golf course to open in Greece. Designed by Bernhard Langer, it blends championship-level architecture with the natural beauty of the Peloponnese coastline, offering a dramatic and memorable golfing experience.

The Bay Course

Designed by Robert Trent Jones Jr, this is one of the most visually striking layouts in the Mediterranean. It is sculpted into the natural coastal landscape overlooking Navarino Bay, offering breathtaking sea views on almost every hole.

The Hills Course

Perched high above Navarino Bay, the Hills Course offers a tranquil and inspiring golfing experience across a spectacular natural landscape. Designed by José María Olazábal, this beautifully routed championship course blends seamlessly into rolling terrain and mature olive groves.

The Olympic Course

Designed by two-time Masters Champion José María Olazábal, this championship layout is defined by dramatic elevation, sweeping sea views, and a sense of openness that makes every round feel cinematic.
