

Thailand

5 – 19 March 2027

Overview

If you're looking for a route out of the European winter next year then our golf holiday to the Far East in March 2027 might just be the solution.

More About the Destinations

We will start with 6 nights staying at the award-winning Bo Phut Resort & Spa, a beautiful beachfront retreat overlooking the golden sands of Bophut Beach. Enjoy the island's relaxed atmosphere before teeing off at the spectacular Santiburi Samui Country Club, where panoramic sea views and dramatic mountain holes create one of Thailand's most memorable golfing experiences.

We then move on to Phuket for 8 nights at the 5 star Slate Hotel, a unique luxury resort close to the peaceful shores of Nai Yang Beach. The golf includes two of the island's favourites – the renowned Blue Canyon Country Club, a regular host of international tournaments, and the scenic Loch Palm Golf Club, set amongst lush tropical landscapes.

With luxurious hotels, outstanding golf and Thailand's famous hospitality throughout, this is the perfect escape for golfers looking to experience two of the country's most beautiful islands.

Golf Courses - Phuket

Loch Palm

Set against an impressive mountainous backdrop and wrapping around Crystal Lake, the Loch Palm golf course is always in excellent condition. The well designed fairways and greens rival some of the best layouts on the island.

Blue Canyon - Canyon

Since opening in 1991, the Blue Canyon Country Club has been a fixture in every list of Asia's top golfing destinations. This wonderful course has been host to the Johnnie Walker cup and a Tiger Woods Asian victory.

Blue Canyon - Lakes

Built on the site of an old tin mine, the fairways of the Lakes layout feature water hazards on all but one of the holes and the course routing makes optimum use of the wandering creeks and water-filled gullies that were formed during the mining years.

Santiburi

One of Thailand's leading architects, Pirapon Namatra designed this stunning championship course at Santiburi Samui Country Club. Located in the mountain foothills of Samui Island the course makes full use of the dramatic topography.

Event Format

Our events are open to singles, couples or small groups equally.

The format allows you to play as much or as little golf as you like, up to the maximum number of nine rounds.
